PE-RU-NA RECEIVES PRAISE

For Relieving Such Symptoms as Debility, Backache and Headache.

THERE are a great many phases of woman's ailments that require the assistance of the surgeon.

But by far the greater number of such cases are amenable to correct medicinal treatment.

No surgeon in the world has relieved so many women from the different phases of ailments peculiar to woman-kind as Dr. Hartman through the use of Peruna.

He receives many letters from all parts of the country relating to subjects of vital interest to womankind.

Of the vast multitude of women Dr. Hartman cures annually, only a small per cent. of them consider it necessary to write to the Doctor at all.

Not one in a thousand of these fortunate women report their success. Of those who do write testimonials, only a very small per cent. are ever used in public print.

While it is not affirmed that Peruna will cure every case of this kind, it is certainly the part of wisdom for every woman so afflicted to give Peruna a fair trial. Her chances of relief are so many that any woman would be doing herself an injustice to neglect such an opportunity of relief.

Very Precarious Condition.

Mrs. Lulu Ward, 617 Tracy Ave., Kansas City, Mo., writes: "A few years ago my health was in a very precarious condition, the result of womb trouble and general debility."

I suffered a great deal and was glad to try Peruna when it was recommended to me so highly. I found it very beneficial. In a short time the pains greatly decreased and in two months I was completely restored.

"I am pleased to endorse Peruna."
